The President's Column

This October, the BMW Car Club of America is celebrating its 50th anniversary with its biggest gathering of the year—OKTOBERFEST! Over a thousand club members from all around the country will converge on the headquarters near Greenville, South Carolina (even some San Diegans!) There will plenty of the usual activities: Concours, TSD rally, track events, facility tours, dinners, beer garden, Tech Talks, and more. But for many, especially those more than half a country away, it can be hard to justify the time and travel to attend. Why do people do it? What's so special about it?

As you'll hear repeatedly when people talk about this club, it's not so much about the cars, or even the activities, but about the people—the camaraderie of the other enthusiasts you meet with *Blau mit Weiss* running in their veins. Many return to O'fest year after year to reconnect with friends they've made from thousands of miles away. Club friendships can expand to life well beyond the bounds of the club per se, ie. marriages, businesses, families, jobs. I truly admire the friendships I've seen that reach back many decades, and still feel like a relative newcomer at times, just 13 years into my BMW Club journey. But I treasure the friends I've made along the way, and look forward to continuing more of that club camaraderie well into the future.

For those of you not making the trek to O'fest, I hope we can still foster the same sense of community right here in our own little corner of the Club. We're here to enhance the Club experience for our local members, and value your feedback, suggestions, and involvement in helping ensure that what we do provides value to you. You can be involved! Our annual Board of Directors election is coming up in December, and we can always use fresh ideas and enthusiastic volunteers! If you're interesting in getting involved or learning more, we'd be happy to provide more insight for you. And be sure to join us at the December 10 Board Meeting to help select the 2020 Board of Directors.

Finally, a note of thanks to all our board members, volunteers, advertisers, and sponsors who have supported our Chapter this year, devoting their time and resources to bring a variety of great activities to our membership. Please let them know you appreciate what they do!

As always, keep an eye on our website, E-newsletter, and social media as more events are added for the remainder of the year and beyond.

Come on out to chew up some tires, hang with friends, and maybe claim a trophy on another awesome course.

We'll have UCSD's Triton Racing to help out with corner-working in exchange for a donation to their FSAE efforts. Please indicate your interest on the registration form.

Register today because spots fill up quickly as we approach the event date, and on-site registration costs extra. Registration closes at midnight on the Thursday prior.

You don't need a BMW to enjoy the fun; all marques are welcome at our autocrosses!

Important:

- **Only Snell 2010 and 2015 helmets are allowed**
- **All cars MUST be under a 91 dB noise level and we'll be checking! Over 91 dB = no autocross.**
- **You must be a BMW CCA member to participate.** Join online at www.bmwcca.org in advance. Bring your membership card or print your membership confirmation if you have not yet received your membership card.
- We usually fill all the spots prior to the event, so register online early. **\$10 extra to register onsite!**

- The entry fee of \$70 includes breakfast items, lunch and beverages. Additional lunches for guests can be purchased for \$10 at Registration.
- We do not cancel for rain.

Newcomers:

We've all had a first time and we're all still learning, so relax, have fun and enjoy your time with us. You will have an instructor take you around the course for one lap in your car showing you turn-in points, braking zones and so on. Your instructor will then ride with you for your next three laps helping you learn the course. In your next session, and during the timed runs, you can have an instructor with you or you can go solo if your instructor feels you're ready. These events are what you make them; you can push for good lap times and enjoy the friendly competition or you can have more of a social event where running laps is just another part of a fun-filled day.

2019 JACK CAVANAUGH MEMORIAL CAR SHOW, CLEAN CAR CONTEST & CHARITY AUCTION

Photos: Lisa Goehring

THIS YEAR'S CAR SHOW WAS HELD ON June 30, five weeks later than planned as the event was rained out May 19 for the first time ever! Even with the delayed show date we still had 48 beautiful BMWs entered. We were very fortunate to hold the show at the same location—on the grass of Spanish Landing Park West.

Our major sponsor for the show was BMW of Escondido & Brecht Motorsports, as they have been for many years. They graciously provided \$500 for the unique awards and \$1,000 worth of items from their showroom for the auction.

The charity auction of dealer, sponsor, and member-donated BMW items produced over \$2,000! Neil Daly of Oceanside Motorsports provided the brats and beverages, as they have done for many years. This year the club provided the United Ostomy Association a check for \$3,000 with funds made possible from the auction. Individual members provided the UOA with an additional \$510 with personal checks.

We look forward to seeing you at next year's event!
